LinkedIn folks,

I wanted to let you know our agenda has solidified. Here is what we have on tap:

- Greeting from new FBI SF SAC, Craig Fair
- Russian influence status update
- Chinese influence status update
- Iran cyber follow up on latest data sent
- Election Hot Wash
  
- What went well?
- What needs improvement?
  
- Discussion of meetings going forward
  
- Do we want to continue these types of meetings?
- What is the cadence if we want to continue? Quarterly? Some other period?
- What are the topics we want to discuss? All kinds of foreign influence? Elections only?

Let me know if this works for your folks and if you'd like to add anything. Thanks!

**Subject:** Query for our SM partners

Hi Elvis,

I'm very sorry to bother you just before a holiday weekend, but we're having some inquiries here regarding any uptick or change in foreign actors (proxy, state media, CIB) activities with regards to the 6 January anniversary. Trying to get a handle on whether we're seeing any specific calls for violence or any changes that would indicate more concern than the steady state activity that's been persistent over the past year with associated narratives. Would you mind looping us up with the various partners to just do a bit of a pulse check?

Thanks,

Laura

Thanks, Elvis. We would love to host in SF! How about 10 am on Monday June 13?

We are still working out travel and logistics on our end (need to double-confirm our guest policy these days), but wanted to snag that timeslot since that is the only time that works for us for an in-person meeting.

Thanks,

LinkedIn folks,

It's time to set up the next round of FITF quarterly meetings! I'm still trying to nail down the APT case briefings, but have all the malign influence briefings confirmed. We will definitely have an update on Callisto Group. We are hoping to have this be an in-person meeting at your San Francisco facility as we are scheduling meetings with the other companies in town during the same time period. Our contingent would be about 12 people. Let us know if you are able and willing to host on the following dates/times:

Monday, June 13, 10 am or 1 pm

Tuesday, June 14, 10 am or 1 pm

Wednesday, June 15, 10 am or 1 pm
